

2019 | NC Green Industry Council - 9th Annual Water Symposium

Cultivating Water Stewardship

Our Evolving Environment

Thursday, June 20 ~ 8:00AM - 5:00PM

McKimmon Center ~ 1101 Gorman St., Raleigh, NC 27606

NC STATE UNIVERSITY

Our environment is evolving. Over the past few years we've seen hurricanes, snow storms, floods, heat, mud slides, and fires in North Carolina, and it is affecting our landscape. Join us to learn about how experts are working to use and adjust soil, trees, plants, and water to lessen the effects of the environment and help the landscape.

Who Should Attend:

- + Water Policy Makers
- + Water Purveyors
- + Nurserymen
- + Greenhouse Growers
- + Engineers
- + Landscape Architects
- + Landscape Designers
- + Stormwater Managers
- + Environmental Consultants
- + Irrigation and Landscape Contractors
- + NCSU Faculty & Researchers
- + Property Managers
- ...and others dependant on water

Continuing Education Credits

Please check credits desired:

- Irrigation Association
- National Association of Landscape Professionals
- NC Board for Engineers and Surveyors
